BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 3175L.A.—8th August 1941. The following report of the Select Committee on the Bengal Markets Regulation Bill, 1941, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

K. ALI AFZAL,
Secy. to the Bengal Legis. Assembly.

Report of the Select Committee on the Bengal Markets Regulation Bill, 1941.

We, the members of the Select Committee, to which the Bengal Markets Regulation Bill, 1941, was referred by a motion carried in the Bengal Legislative Assembly on the 3rd April, 1941, have the honour to submit this our report with the Bill embodying amendments recommended by us annexed. Matter recommended by us to be deleted has been printed in italics and enclosed in square brackets and new matter proposed to be inserted has been underlined.

The Committee met for the first time at Darjeeling on the 2nd June, 1941, and from time to time thereafter till the 7th July, 1941, on which date they concluded their deliberations on the Bill. The Bill was published before introduction in the *Calcutta Gazette* of the 30th January, 1941.

The Bill has not, in our opinion, been so altered by our recommendations as to require republication.

The reasons for the changes recommended by us excepting those of a mere drafting or purely consequential nature are briefly as follows:—

Clause 2.

Sub-clause (1) (c).—The slight amendment in this sub-clause has been made by us for making the intention clear.

Sub-clause (1a).—We found it necessary to insert this new definition in view of the frequent use of the expression "Calcutta area" in the Bill.

Sub-clause (2).—The amendment here is of a purely drafting nature.

Sub-clause (3).—The definition of "market" has been recast and amplified by us.

The new sub-clause (*a*) has been introduced as we were of the opinion that provisions of the clauses mentioned therein should apply to all markets irrespective of the locality in which they are situated or the persons or bodies by whom they are managed.

In view of multifarious complications involved, it was found difficult to propose a comprehensive definition of market for the Calcutta area. We considered it expedient, therefore, to leave it in the hands of the Government to notify the particular places, buildings, blocks of building, enclosures or other areas which should be treated as markets in Calcutta area for the purposes of this Act.

Besides these two material alterations we have included *melas*, which are held for more than three consecutive days, in the category of markets.

The rest of the alterations in the definition are of a drafting nature only.

Sub-clause (6).—"Trade allowance" has been defined in this new sub-clause to avoid any ambiguity in the meaning of the expression as used in this Bill.

Clause 2A.

In this new clause we have provided for registration of all markets and renewal thereof every three years, free of charges, so that a complete and up-to-date list of all existing markets may be readily available.

Clause 3.

The amendment in this clause is intended to give the power of classification of markets to the Subdivisional Magistrate who would, in our opinion, be more suitable than the District Magistrate for the purpose, being in closer touch with local affairs. The provision for appeal against his decision is expected to be a sufficient safeguard.

There being no "Subdivisional Magistrate" in the Calcutta area we have made a clear provision for appointment by the Provincial Government of an equivalent officer for exercise of similar functions in that area.

Sub-clause (2).—Gross income was, in our opinion, a more appropriate standard than net income for the purpose of this clause and we have recommended the necessary alteration accordingly.

Sub-clause (4).—The amendments here are consequential on the amendments in sub-clause (*1*).

Clause 4.

Sub-clause (1).—We thought it expedient to empower the Provincial Government to extend the time limit, if necessary, for the purpose of avoiding any possibility of administrative and other difficulties.

The proviso has been inserted as we did not consider it advisable to interfere with the local bodies who usually permit establishment or continuance of markets, fairs and *melas* within their jurisdiction.

Sub-clauses (2) and (3).—The amendments here are intended to supply omissions We have provided for the Government to prescribe the authority to whom and the manner in which an application for licence and renewal thereof should be made.

In sub-clause (*4*) we have raised the maximum limit of fees payable for grant or renewal of licence from five rupees to fifty as in our opinion the amount of such fees should have some bearing on the amount of profit derived from the markets by the proprietors and in some cases such profits are enormous.

Clause 5.

Sub-clause (2)(c).—This sub-clause has been curtailed in view of the specific provisions inserted in the proposed new sub-clause (*4*) of clause 7.

The original sub-clause (*d*) has been omitted by us as undesirable in view of the fact that the proprietor of a market has nothing to do with "trade allowance" nor has he got any power to prevent any improper payment or realisation thereof.

In this revised sub-clause (*e*) we have thought fit to make it incumbent on the proprietor to provide for adequate "space" and have made our intention, in this respect, clear in the explanation added. Further we have excluded any reference to "income derived from the market" in this sub-clause as well as in sub-clauses (*f*) and (*g*) to avoid any possibility of undesirable complications.

Sub-clauses (*h*), (*i*) and (*j*) have been deleted from this clause and the provisions thereof embodied more appropriately in the new clauses 11, 11A and 11B.

Clause 6.

Sub-clause (1).—We have omitted the Panchayet from sub clause (*1*) as unnecessary but have brought in the District Board which appeared to us to be a more suitable body for exercise of the functions under this sub-clause. The provisions in sub-clause (*5*) in relation to the Corporation of Calcutta have been amalgamated with those in this sub-clause for the purpose of better drafting.

Sub-clause (3).- The amendment is intended to avoid any conflict with the provision of sub-clause (*2*) of clause 7.

New sub-clause (4).—In the substituted sub-clause we have given the proprietor a right of appeal as this seemed to be necessary in the interest of justice. Apart from this, this is only a redraft of the old sub-clause (*4*).

Sub-clause (5).—The omission of this sub-clause is consequential on the amendment in sub-clause (*1*).

Clause 7.

Sub-clause (1).—The amendment in this sub-clause has been intended to cover cases within the Calcutta area.

Sub-clause (2).—Although the power to fix a fee ordinarily implies a power to revise it we thought it desirable to add the words at the end of this sub-clause to avoid any possible doubt in the matter.

The new proviso has been added as we have thought it proper to empower the Provincial Government to make the necessary rules for exemption, from payment of fees or charges, such agricultural produce as by their nature or quantity deserve such special consideration.

Sub-clause (4).—In this new sub-clause we have prohibited unauthorised collection of any kind in the markets. We have also provided for granting of receipts for all realisations of one anna or more with a view to avoid malpractices in this direction as far as practicable.

Clause 8.

We considered the original sub-clause (*1*) inadequate and have modified it and inserted the new sub-clause (*1a*) for making the provisions comprehensive and applicable to all commodities instead of agricultural produce only. While we have agreed to leave it to Government to declare generally, by rules, the particular kinds of trade allowance that may be treated as unobjectionable, we thought it expedient to make permissible the realisation of certain trade allowances under particular circumstances which have the sanction of long standing business practice, but have preferred to prohibit realisation of any such allowance when the transaction of sale is based on inspection only.

Sub-clause (2).—The amendments here are consequential on the earlier amendments in the clause.

Clause 9.

As we thought personal attendance of the proprietor unnecessary for the purpose of this clause we have excluded the provision relating to such attendance.

Clause 10.

The old clauses 10 and 11 have been combined in the revised clause 10.

New clauses 11, 11A and 11B.

These new clauses embody the provisions that were originally in the deleted sub-clauses (*2*)(*h*), (*i*) and (*j*) of clause 5 with slight alterations in drafting.

Clause 12.

The powers under this clause being of a rather important nature we have provided that a Subdivisional Magistrate should exercise them only when authorised by the District Magistrate for the purpose.

Clause 13.

The proviso to the clause has been inserted for collaboration with the District Board in taking any action under this clause. This is intended to keep the District Boards in touch with the affairs of the markets and to avoid any conflict with the existing statutory rights of the Board.

Clause 16.

The object of the amendment here is to give an additional remedy to a party aggrieved by the order of an appellate authority.

Clause 17.

The words "for agricultural produce" have been omitted to remove unnecessary restriction on the powers of the Provincial Government in the matter of establishment and maintenance of markets.

New clause 18A.

We were of the opinion that any interference by the Civil Courts, with the administrative matters mentioned in this clause might lead to undesirable complications. We have, therefore, prohibited any Civil Suit or proceeding in connexion with these matters.

Clause 19.

All the amendments in this clause are consequential on the amendments proposed by us in the earlier provisions of the Bill.

Clause 21.

The amendments here have been inserted, by way of supplying omissions, to provide suitable punishments for non-compliance with the obligatory provisions of the Bill.

The Committee have examined with some care the question of possible conflict between some of the provisions of this Bill relating to regulation of markets with provisions in the Bengal Act III of 1885, Bengal Act V of 1919, Bengal Act XV of 1932 and Bengal Act III of 1923 on the same subject. Attempt has been made to avoid such conflict as far as practicable. It has not, however, been possible to make the Bill absolutely free from a charge of transgression. We hope, however, that it will be possible to eliminate any actual difficulty by administrative adjustments and, if necessary, by suitable further legislation on the basis of practical experience derived from the working of the Bill when it comes into operation.

DATED CALCUTTA;
The 17th July, 1941.

*Signed subject to a minute of dissent, annexed.

Minute of dissent by the Hon'ble Mr. Tamizuddin Khan.

I have signed the report subject to the condition that I reserve my opinion on the recommendation of the Select Committee enhancing the maximum amount payable as fee under clause 4(*4*) from Rs. 5 to Rs. 50.

Joint minute of dissent by Khan Sahib Hamiduddin Ahmed, M.L.A., and Mr. Giasuddin Ahmed, M.L.A.

1. The Bill ought to have provisions to govern all the markets uniformly throughout the province. After making necessary amendments of the relevant sections of the Calcutta Municipal Act, the Bengal Municipal Act and the Local Self-Government Act concerning markets and their control, the Government could give effect to such a comprehensive law. Conflicts are inevitable so long dual control is allowed

2. There being provision of exemption of licence fee in clause 4(*5*) we hold that the maximum limit of such fee should be one hundred rupees or 1 per cent. of the annual gross income derived out of the market whichever is greater [4(*4*)] and markets having annual gross income of less than twenty-five rupees should be exempted from payment of licence fee but in no case the fee will be less than eight annas.

3. To stop abuse the Bill provides granting of receipts for realisation of market fee up to one anna in clause 5(*c*) and for the same purpose we are of opinion that receipts should be granted for realisation of any amount as market fee.

4. District Boards and Union Boards or Union Committees, as the case may be, having no separate jurisdiction, it is not expedient to give the same function to the parent body as well as the subordinate one to be exercised over the markets within their common jurisdiction. The subordinate bodies being in closer touch with the local affairs the functions as prescribed in clause 6(*1*) should be entrusted to Union Boards or Union Committees rather to the District Board.

5. We are also of opinion that like many other foreign countries our province also should have separate laws for different agricultural produces and that agricultural produces such as jute and paddy which have got great commercial value and the sale proceeds of which form the bulk of the purchasing of the general body of the agriculturists of this province should have been tackled first and the present Bill should have dealt with them alone.

6. Further we reserve the right to move any amendments to the provisions of the Bill that we consider proper.

Further minute of dissent by Mr. Giasuddin Ahmed, M.L.A.

Clause 8.—In clause 8 too much latitude has been given in the matter of deduction permissible under the proviso to sub-section (*1a*).

In my opinion Government should be empowered to frame rules for controlling the rates of such deduction, and there should be specified provision to this effect in the Bill, otherwise the sellers specially the poor agriculturists will be put under much difficulty.

Joint minute of dissent by Messrs. C. Morgan and I. C. Kennedy, M.L.As.

Clause 2(3).—We desire to know how Government propose to get over the difficulty of dual control.

Clause 8(1), 4th line.—The words "or at the residence of the seller or at any other place" require explanation.

Clause 9.—This is too wide and information and documents should be confined to "Transactions within the market".

Clause 17(1).—In our opinion the Provincial Government should not have power to establish any market within a certain distance of established markets, the management of which is considered satisfactory.

We reserve to ourselves the right to move any amendments which we may consider necessary.

Minute of dissent by Khan Bahadur Fazlul Qadir, M.L.A.

I sign the report subject to the following minute of dissent —

(1) **Clause 4, sub-clause (4).**—Original proposal of the Government "Five rupees" should stand and no charge should be made.

(2) **Clause 5, sub-clause 2(c).**—Last 3 lines commencing from the words "and receipts" should be changed as follows:—

"and receipt shall be granted for realisation of such fees and charges in case of sale of animals only".

Minute of dissent by Mr. D. P. Khaitan, M.L.A.

I have signed the Select Committee Report subject to the reservation that I may move such amendments when the Bill is considered in the Assembly, as I may consider to be necessary.

I am afraid that the provisions of the Bill are liable to be used too harshly against the proprietors of the markets For example, sufficient safeguard should be provided in clause 5(2) that improvements mentioned therein should have due relation to the net income derived from the market Furthermore, I fear that the Bill leaves room for too frequent complaints to be made against the landlord The result may be that this will require too frequent attendances before the authorities It will be better if arrangements be made in the Bill itself that the provisions may not be used too oppressively against the landlord. The markets serve a useful purpose for the people, a fact which should not be lost sight of.

Minute of dissent by Mr. Yusuf Ali Choudhury, M.L.A.

Clause 13—Proviso.—In this proviso the agency of the District Board is going to be employed by the District Magistrate for any necessary improvement in respect of any matter referred to in clauses (*e*) and (*f*) of sub-section (2) of section 5 of this Bill. The District Board is already empowered by the Local Self-Government Act, section 100C, to make an order requiring "the owner or lessee of a private *hât* or market to make proper sanitary arrangements and to remove any insanitary conditions within such *hat* or market". Here the provision of this Bill is going to intertere with the provision of the Local Self-Government Act inasmuch as a dual control is imposed upon the proprietors, etc.

NOTE.—Since the 1st January 1929 the datum of all gauges has been finally altered to refer to the Bengal Public Works Department datum which is 6·25 feet above levels recorded since each gauge was established have been prepared.

*The Zero of the Buxar gauge has been checked from the G. T. S. Bench marks Nos. 125 and 126 on line 70K and found to be 169·91 feet above the Bengal P. W. D.

†On and from 1st January 1931 High water level and Low water level readings are shown at Swarupganj.

(A) The value of the zero of the gauge at the station was —11·08′ from 1st to 11th June 1941,—8·08′ from 12th to 18th June 1941 and—3·08′ from 19th to 30th June 1941 = 71·65 feet.

(B) The value of the zero of the gauge at the station was 31·07′ from 1st to 15th June 1941 and 0·00′ from 16th to 30th June 1941. Hence the average height

The reports of the Commissioners of Divisions on the working of district and local boards in Bengal during the year 1939-40.

1. **District Boards.**—The number of district boards remained the same (i.e., 26) as in the preceding year with a total number of 694 members of whom 447 were elected and the rest, including 86 officials, were appointed. The district board of Bankura was reconstituted during the year under review. As in previous years, the district board of Darjeeling continued to be presided over by an official Chairman in the person of the Deputy Commissioner appointed by Government. The district board of Jessore was presided over by an appointed non-official, while the remaining district boards elected their own Chairmen.

The Boards held altogether 385 meetings of which none proved abortive for want of a quorum but 24 meetings were adjourned as against 26 in the preceding year. Of these adjourned sittings, 15 in the Rajshahi Division were due to the fact that all the subjects in the agenda of those meetings could not be finished and one in the district of Rajshahi was adjourned as the date was declared by Government as a public holiday on account of the Id.

The average percentage of attendance of members at meetings was the highest in Bankura (91) and lowest in Malda (63). The average percentage of attendance of official members was the highest (viz., 96·4) in Jalpaiguri and the lowest (viz., 40·5) in Malda.

2. **Local Boards.**—The total number of local boards in the Province decreased from 74 in the previous year to 70 in the year under review due to the abolition of local boards in the district of Rangpur. The number of members consequently fell from 1,248 to 1,192 consisting of 766 elected and the rest, including 65 officials, nominated by Government All the local boards, except 3, were presided over by non-official Chairmen.

3. **Union Committees.**—The Hajipur Union Committee, in the district of 24-Parganas having been replaced by a union board, there existed only two such Committees in the Province during the year under review. Of these, two, the Committee at Alipore Duars in the district of Jalpaiguri, worked satisfactorily and introduced a street lighting scheme besides making preliminary arrangements for conservancy work. The work of the other Committee at Takdah in Darjeeling was carried out by seven nominated members.

4. **Financial Features.**—The total receipts of the district boards during the year under review, excluding opening balances, amounted to Rs. 165·54 lakhs as against Rs. 159·24 lakhs in the preceding year. The increase in income was mainly due to larger receipts under "Miscellaneous" which rose from Rs. 7·08 lakhs to Rs. 9·89 lakhs under "Local Canal receipts" from Rs. 32,010 to Rs. 42,165, and under "Debt" from Rs. 14·87 lakhs to Rs. 25·58 lakhs.

The total expenditure chargeable to current income, however, decreased from Rs. 156 06 lakhs in the preceding year to Rs. 154·29 lakhs in the year under review due manly to decreases in expenditure under "Education" from Rs. 26·01 lakhs to Rs. 23·29 lakhs,

under "Scientific and Other Minor Departments" from Rs. 2·72 lakhs to Rs. 1·47 lakhs, under "Superannuation Allowances and Pensions" from Rs. 2·84 lakhs to Rs. 2·67 lakhs and under "Miscellaneous" from Rs. 1·79 lakhs to Rs. 1·53 lakhs. On the other hand, there was increased outlay under some of the principal heads of expenditure, the most noticeable being that under "Famine Relief" which rose from Rs. 2·82 lakhs to Rs. 7·04 lakhs. The total balance at the close of the year was Rs. 39·42 lakhs against Rs. 47·73 lakhs in the preceding year.

5. **Education.**—The income and expenditure of the district boards under this head fell from Rs. 9·38 lakhs to Rs. 8·66 lakhs and from Rs. 26·01 lakhs to Rs. 23·29 lakhs respectively, during the year under review, owing chiefly to the transfer of primary education to the district school boards in certain districts of the Burdwan, Presidency, Dacca and Chittagong Divisions.

The total number of upper primary schools maintained by the district boards was 433 attended by 21, 278 boys and 2,559 girls against 583 schools with 26,727 boys and 3,426 girls in the previous year. The number of lower primary schools maintained by the Boards, however, increased from 770 schools with 32,864 boys and 6,581 girls to 1,014 schools attended by 44,710 boys and 8,582 girls. This increase was principally due to the establishment of 91 Board's lower primary schools in the Rajshahi district and 161 in Pabna.

The number of upper primary schools aided by the Boards also decreased from 10,855 with 387,556 boys and 103,178 girls to 9,538 schools attended by 376,973 boys and 97,271 girls. On the other hand, the number of aided lower primary schools increased to 11,407 with 288,878 boys and 107,706 girls, the corresponding figures for the preceding year being 9,883 schools with 240,061 boys and 79,179 girls.

Although the number of middle schools maintained by the Board remained stationary, viz., 42, the number of students attending them increased from 4,699 in the previous year to 4,810 during the year under review. The number of middle schools aided by the Boards, however, increased from 1,406 to 1,437 with a corresponding increase in the number of students from 137,978 to 144,433 As in the preceding years, no high school was maintained by any of the Boards, but the number of such institutions aided by the Boards increased from 14 to 20. The number of students attending them also increased from 3,563 to 4,206.

The number of industrial schools maintained by the Boards remained the same (5) as in the previous year while the number of other schools maintained by the Boards remained unchanged. The numbers of industrial and other schools aided by the Boards were 83 and 1,162, respectively, as against 74 and 1,162, respectively, in the previous year. The Boards continued to grant scholarships or stipends to students attending technical schools or colleges.

6. **Public Health and Medical Relief.**—There was an increase both in the income and the expenditure of the district boards under this head (which includes sanitation and vaccination) the amounts being Rs. 19·61 lakhs and Rs. 42·16 lakhs, respectively, against Rs. 19·46 lakhs and Rs. 42·11 lakhs, respectively, in the preceding year.

The total number of dispensaries maintained by the district boards increased from 713 to 721 but the expenditure incurred on them decreased from Rs. 12·78 lakhs to Rs. 11·59 lakhs. The number of dispensaries aided by the Boards also increased from 604 to 682 with a corresponding increase of the amount of contribution from Rs. 4·33 lakhs to Rs 5·65 lakhs. These figures include a number of homeopathic and a few ayurvedic and unani despensaries.

Allotments from the Government of India's Rural Uplift grant for capital expenditure towards the establishment of village dispensaries were largely responsible for the increase in number of such institutions; while the gradually expanding State-aid given to the thana and village dispensaries under the scheme of subsidies to these institutions was also of great help to the local bodies in maintaining these dispensaries.

The scheme of decentralised anti-rabic treatment worked satisfactorily during the year, the treatment being given at many rural district board dispensaries besides the institutions at the district and subdivisional headquarters.

The public health activities of the Boards consisted, as usual, in combating the outbreak of epidemic diseases by preventive and curative measures. The education of the villagers in the general principle of sanitation and hygiene by lantern lectures, health talks and baby shows formed an important feature of the activities of the health staff of the district boards. In some districts, school hygiene work was also taken up by the sanitary staff.

Cholera and small-pox were prevalent either in sporadic or in epidemic form, in several districts. The district boards took prompt action to check the spread of the diseases and augmented their permanent health staff by temporary men to control epidemics. The Public Health Department came promptly to the assistance of the district boards not only by arranging for additional staff of medical licentiates and sanitary inspectors but also by provision of a large number of mobile medical units consisting of a medical officer and a compounder and fully equipped with medicines for treatment as well as prevention. Temporary regulations under the Epidemic Diseases Act were also promulgated where necessary. Preventive measures, such as vaccination, inoculation, disinfection of tanks and wells and the clearing of ditches, jungle and insanitary surroundings were carried out, as usual, by the district boards.

The capaign against malaria and kala-azar was carried on by the district boards Besides providing facilities for treatment in the existing hospitals and dispensaries and in the special kala-azar centres some district boards either deputed doctors to the affected areas for giving treatment or organised travelling fever dispensaries to cope with the situation. The campaign of quinization was pushed through with vigour and the services of union boards, anti-malarial societies, kala-azar doctors and the circle sanitary inspectors were systematically utilised in distributing quinine It appears, however, that malaria is taking larger tolls and is on the increase. It calls for a more determined co-ordinated effort on the part of the district boards.

The existing institutions for the specialised treatment of leprosy were maintained and maternity and child welfare received adequate attention—a large number of dais being trained and equipped for service in the rural areas.

With the establishment of public health laboratories in many districts, the evil of food adulteration is reported to have received more attention from the district boards than in the preceding year. Larger number of food samples were examined and prosecutions were started—most of them resulting in conviction. The control exercised by the district boards over the practice of adulteration of food-stuffs was, however, still far from adequate. It is hoped that after the enactment of the Bengal Pure Food Bill which is now before the Provincial Legislature, the Boards will be in a better position to deal with this important problem.

7 **Veterinary Charges.**—The income and expenditure of the Boards under this head decreased from Rs. 2,790 to Rs. 2,348 and from Rs. 1,93,317 to Rs. 1,03,895, respectively, during the year under review. The decrease both in income and expenditure was due to the fact that the services of the veterinary assistant surgeons were provincialised in most of the district under the scheme of provincialisation adopted by Government in 1939.

There were severe outbreaks of cattle diseases in Burdwan and Bakarganj but effective measures were taken for the prevention of the spread of the epidemics. Some district boards especially in the Burdwan and the Rajshahi Divisions took considerable interest in maintaining stud-bulls in order to improve the breed of cattle in their respective areas.

8. **Civil Works.**—The income and expenditure under this head amounted to Rs. 22·42 lakhs and Rs. 67·08 lakhs, respectively, against Rs. 24·40 lakhs and Rs. 68·70 lakhs, respectively, during the previous year. The decrease in expenditure was mainly due to less expenditure under "Communication" and "Water-supply—Original Works".

The reduction of expenditure on "Communications" did not, however, affect the total mileage of roads maintained by the Boards. The mileage of metalled, unmetalled and village roads actually increased and were 3,127, 20,722, and 34,412, respectively, against 3,037, 19,774 and 30,347, respectively, in the preceding year.

In the Burdwan Division, the expenditure on "Civil Works" amounted to Rs. 15·08 lakhs against Rs. 16·03 lakhs in the preceding year and represented 46 per cent. of the total expenditure chargeable to current income, against 40·9 per cent. in the previous year. The decrease was shared by all the district boards except those of Midnapore and Howrah.

In the Presidency Division, the total outlay under this head amounted to Rs. 13·64 lakhs, showing a decrease of about Rs. 3·60 lakhs from the previous year's figures. All the district boards shared in the decrease—the largest decrease occurring in the 24-Parganas (Rs. 1,28,804) which is attributed to the fact that the bills of the contractors could not be paid in full owing to shortage of funds. The decrease in Khulna (Rs. 99,658) was due to the curtailment of expenditure owing to decreased income resulting from the further reduction of cesses.

The total expenditure under this head in the Dacca Division was Rs. 14·36 lakhs showing a decrease of Rs. 41,651, from the previous year's figures—Mymensingh and Faridpur sharing in the decrease, while there was actually an increase both in Dacca and Bakarganj. Expenditure on Communications—Original Works, however, showed an increase of Rs. 36,784.

In the Chittagong Division, the expenditure on Civil Works increased from Rs. 6·36 lakhs to Rs. 6·42 lakhs—all the three Boards having continued their interest in the improvement of communications by the construction of new bridges and roads and repairing the old ones.

There was an increase of Rs. 3,20,299 in the expenditure under "Civil Works" in the Rajshahi Division. Of the total increase, Rs. 2,25,123 was under Communications — Repairs and Rs. 44,225 under Communication—Original Works. The increase was due to increased expenditure incurred by all the district boards except that of Darjeeling. The proportion of expenditure on Civil Works to the total expenditure chargeable to current income increased from 39·07 per cent. to 44·6 per cent.

9. **Water-supply.**—The total outlay on water-supply during the year under review was Rs. 8·07 lakhs as against Rs. 8·64 lakhs in the previous year. Of the total expenditure Rs. 6·58 lakhs was under Original Works and Rs. 1·49 lakhs under Repairs.

The total expenditure on water-supply in the Burdwan Division amounted to Rs. 1·71 lakhs against Rs. 1·78 in the preceding year. Of the total expenditure Rs. 1·29 lakhs was on Original Works and Rs. 42,496 on repairs. The decrease of Rs. 3,550 on original works, as compared with the previons year's figures, was shared by the districts of Birbhum, Bankura and Howrah, while the decrease of Rs. 2,585 on repairs was shared more or less by all the Boards. The Boards in this Division sank or resank 289 tube-wells.

There was a decrease of Rs. 17,657 in the expenditure under this head in the Presidency Division—the district boards of Nadia and Khulna sharing in the decrease. On the other hand, there was increased expenditure in the 24-Parganas and the Murshidabad districts. The Boards in this division sank or resank 413 tube-wells.

In the Dacca Division the expenditure under this head decreased from Rs. 3·77 lakhs to Rs. 3·13 lakhs of which Rs. 2·75 lakhs was under "Original Works" and Rs. 38,571 on "Repairs". The Boards sank or resank 573 tube-wells or ferro concrete wells and excavated 18 tanks during the year under review. Besides, the district board of Bakarganj had 388 reserve tanks under its direct control excluding 248 tanks excavated by the Colonization and Khas Mahal Departments and union boards with one-half or two-thirds contribution from the district boards.

The Boards in the Chittagong Division sank 271 tube-wells during the year under review. The enthusiasm displayed by the Noakhali district board in sinking tube-wells in the preceding year is reported to have died out altogether with the result that not a single new tube-well was sunk during the year under review as compared with 392 wells sunk in 1938-39.

The total expenditure under this head in the Rajshahi Division increased from Rs. 1·06 lakhs to Rs. 1·25 lakhs—the increase being shared by all the district boards except those of Rangpur, Pabna and Darjeeling. The

Boards altogether sank 368 tube-wells besides a number of cement concrete ring wells, masonry wells and pottery wells.

10. **Famine Relief.**—In the Burdwan Division, the expenditure under this head amounted to Rs. 45,108 against Rs. 10,335 in the previous year. The increase was most marked in Bankura (Rs. 44,433) where test relief works had to be started due to the partial failure of crops in the western part of the district. In the Presidency Division, the Murshidabad district was visited by floods causing considerable distress and loss of property. The district board with its own resources supplemented by liberal contributions from Government ably tackled the situation, and spent Rs. 3·99 lakhs on relief works. In Nadia, excessive rainfall caused distress and the district board staff co-operated with Government officers in distributing rice doles and agricultural loans besides carrying out chlorination and a quinisation campaign in the submerged areas.

In the Dacca Division, the total outlay under this head amounted to Rs. 1·19 lakhs and was met from the advances made by Government to the district boards. This was necessitated by the failure of crops on account of abnormal floods in the preceding year. The district board of Faridpur did not spend the full amount of Rs. 80,000 advanced to it.

In the Rajshahi Division, the distress continued in the district of Rangpur due to adverse economic condition of the previous year and the district board had to spend Rs. 1·62 lakhs on test relief works. The district boards of Pabna and Malda spent Rs. 68,012 and Rs. 35,982, respectively, on test relief works.

11. **General Remarks.**—The year under review continued to be a difficult one for the district boards some of which were called upon to continue relief operations in order to succour the people in distress caused by previous year's floods, while others had to start new relief works as a result of failure of crops owing to droughts or floods during 1939-40. Added to this, the Boards had to manage things with smaller receipts due to the bringing into effect, for the first time, the new procedure under the Government of India (Adaptation of Indian Laws) Order, 1937, under which they are no longer entitled to the direct credit of Public Works Cess receipts and proceeds from ferries. It is gratifying to note that the Boards made most of their resources and kept up the public utility services to the level previously attained by them. Cordial and harmonius relations subsisted between the district authorities and the district boards throughout the Province.

It appears that the district boards have not been able to resist the temptation of reducing expenditure on Communications in order to find money for what are generally regarded as popular services, such as medical relief, sanitation, etc. Without minimising in any way the importance of these services, Government desire to take this opportunity of impressing upon the district boards that the general prosperity of the district depends very largely on the maintenance of adequate communications and the grant of the Public Works Cess to the Boards have entailed a moral obligation on them to devote correspondingly large sums to projects which had previously been financed from this Cess, with a view to developing the economic resources of the rural areas.

Another instance of the defect in the administration of district boards is furnished by the irregularities pointed out year after year in the audit reports. Government trust that the Boards will pay greater attention to closer supervision over accounts and a stricter compliance with the rules.

The services rendered by the following gentlemen have been specially mentioned by the local officers and Government take this opportunity to thanking them and all others who have assisted in the administration of local self-government during the year under review:—

After the expiry of three years from the commencement of the Act every dealer whose taxable turnover does not exceed 10 per cent. of his gross turnover calculated over the latest three years for which figures are available shall furnish returns in Form III annually within sixty days from the expiry of each year.

19. When the taxable turnover of any dealer referred to in rule 18 exceeds in any year 10 per cent. of the average gross turnover calculated in the manner provided in rule 18, the Assistant Commissioner may fix fresh return-periods for such dealer, but ordinarily he shall not reduce the return-period unless he is satisfied that the excess over 10 per cent. is likely to continue.

20. Every dealer other than those for whom annual returns are prescribed in rules 17 and 18 who satisfies the Commissioner that he is not accustomed to make up a statement of accounts of sales more often than half-yearly shall furnish a return in Form III half-yearly within sixty days from the expiry of each half-year.

21. Every dealer, other than those referred to in rules 17, 18 and 20, whose annual gross turnover in the opinion of the Assistant Commissioner is likely to exceed two lakhs of rupees shall furnish a return in Form III quarterly, within thirty days from the expiry of each quarter:

Provided that the Commissioner may, for reasons to be recorded in writing, fix quarterly returns for any other class of dealer also.

22. Subject to the provisions of rule 24 the return-periods fixed for any dealer under rules 20 and 21 shall remain in force for not less than three years and thereafter shall continue to remain in force until the Assistant Commissioner fixes a different return-period in accordance with these rules.

23. The Commissioner or any other officer authorised to take action under rules 17, 19, 21, 30 or 32 shall, in exercising his discretion under those rules, pay due regard to such figures of the dealer's turnover for the three years immediately preceding as may be available to him.

24. If the Assessing-authority finds it impracticable to make a proper check of the returns furnished by any dealer under rule 20 or rule 21 he may for reasons to be recorded in writing direct such dealer to furnish the returns at such lesser intervals as he may consider necessary for the purpose.

25. Every dealer, other than those whose return-periods have been fixed under rules 17, 18, 20 or 21, shall furnish a return in Form III for each month by such date within the following month as may be specified in his Certificate of Registration.

27. (*1*) All returns in Form III which are required to be furnished under these rules shall be signed by the dealer or by some responsible person on his behalf, and shall be sent to the appropriate Commercial Tax Officer.

(*2*) Returns furnished by any dealer for whom the Commercial Tax Officer is not the Assessing-authority shall be scrutinized by the Commercial Tax Officer and forwarded to the Assistant Commissioner as soon as possible together with such remarks, if any, as the Commercial Tax Officer may think fit to make.

28. If any registered dealer shows to the satisfaction of the Commissioner that no sales made by him are liable to tax under the Act and makes an application in this behalf, the Commissioner may direct that it shall not be necessary for such dealer to furnish any return in Form III and may grant the dealer a certificate in Form IV.

29. (*1*) A certificate granted to any dealer under rule 28 shall be valid till the end of the year of issue and thereafter may be renewed annually for one year at a time upon receipt of an application from the dealer accompanied by an affidavit that the business of the dealer continues to be such that no sales effected by him are liable to tax under the Act.

(*2*) Applications for renewal under sub-rule (*1*) should be made before the date when the certificate will expire, and applications which are received after such date are liable to be rejected.

(*3*) Applications for the issue or renewal of certificates in Form IV shall be made to the appropriate Commercial Tax Officer, and particulars of all such applications shall be entered in Register XIX.

Payment of Tax.

30. If in the opinion of the Commissioner the annual tax payable by any dealer for whom annual return-periods have been prescribed is not likely to exceed Rs. 500, such dealer shall pay tax annually before furnishing the return in Form III.

31. Every dealer other than a dealer referred to in rule 30 for whom annual return-periods are prescribed and every dealer for whom half-yearly return-periods are prescribed shall pay tax quarterly in the manner prescribed in sub-rules 32 to 35 (inclusive).

32. The Commercial Tax Officer shall estimate the amount of tax payable by the dealer for the whole year, and shall communicate the same to the dealer.

33. (*1*) Within ten days from the expiry of any quarter for which no return in Form III is required to be furnished the dealer shall pay one-fourth of the amount estimated under rule 32; and

(2) before furnishing the return in Form III he shall pay such further amount as will make the sum of his tax payments for the whole return-period equal to the amount which is shown in the return to be payable for such period, whether this sum is greater or less than the amount estimated under rule 32.

34. The estimate under rule 32 shall be communicated to the dealer by a notice in Form V not less than fifteen days before the expiry of the first quarter of the year to which it relates.

35. An estimate shall not be changed during a year, and shall remain in force until a fresh estimate is communicated in the manner provided in rule 34.

36. Every dealer for whom quarterly returns have been prescribed shall pay the tax due for any quarter before furnishing the return in Form III for that quarter.

37. Every dealer for whom monthly returns are prescribed will pay tax monthly before furnishing the return in Form III for that month.

38. (1) Every dealer shall pay the tax and any penalty which may have been imposed upon him direct into the appropriate Government Treasury. No payment of any tax or penalty shall be accepted at the office of the Commissioner or of any Assistant Commissioner or any Commercial Tax Officer.

(2) Challans for the purpose of making payment shall be obtainable at any Government Treasury or at the office of any Commercial Tax Officer.

(3) Challans shall be filled up in triplicate. One copy of such challan shall be retained by the Treasury, and the other two copies shall be returned to the dealer, duly signed, as proof of payment.

(b) shall attach to the return in Form III the receipted challan in respect of the payment referred to in sub-rule (2) of rule 33.

45. The Commercial Tax Officer shall forward to the Assistant Commissioner all challans which are received from any dealer for whom the Commercial Tax Officer is not the Assessing-authority.

46. Every registered dealer who does not elect to pay his tax in advance under rule 48 may deduct from his gross turnover of the first year during which he is liable to pay tax such sum as is shown to the satisfaction of the Assessing-authority to have been due to the dealer on the date on which he became liable to tax under sub-section (1) or (2) of section 4 or under sub-section (3) of section 8, on account of sales of goods effected on or before such date

47. (1) Every registered dealer, whether or not paying tax in advance under rule 48, shall report to the appropriate Commercial Tax Officer, within one month from the date on which the dealer becomes liable to tax, the amount which is due to him on such date on account of sales of goods effected or contracts entered into before such date.

(2) The Commercial Tax Officer shall forward to the Assistant Commissioner any claim for deduction which is made under rule 46 by any dealer for whom the Commercial Tax Officer is not the Assessing-authority.

48. (1) If any dealer so prefers he may, with the permission of the Commissioner, pay in advance the tax which shall be leviable upon his taxable turnover.

(2) The amount of tax which may be paid in advance under sub-rule (1) in respect of any given return-period shall be calculated on the basis of the sales effected or contracts entered into during such period.

(3) Any dealer who pays tax in advance under sub-rule (1) may obtain refund of any amount of tax which has already been paid in respect of any sale-price or part of a sale-price which is subsequently certified by a Registered Accountant to have become irrecoverable and to have been written off as a bad debt.

Assessment to tax and/or penalty under section 11.

49. When it appears to an Assessing-authority to be necessary to make an assessment under section 11 in respect of any dealer he shall serve a notice in Form VI upon him setting forth—

(a) the amount of tax or additional tax, as the case may be, which such dealer is required to pay;

(b) the return-period or periods in respect of which such tax is payable; and

(c) the grounds upon which the demand is made;

and he shall fix a date not less than fifteen days after the date of the service of the notice, for considering any objection which the dealer may wish to prefer.

50. If the Assessing-authority is an Assistant Commissioner he may, with the consent of the dealer, depute a Commercial Tax Officer to hear the dealer's objection and to record any evidence brought in support thereof.

51. A Commercial Tax Officer deputed under rule 50 shall send to the Assistant Commissioner by such date as the latter may direct—

(*i*) a précis of the points argued in support of the dealer's objection;

(*ii*) a record of any evidence taken in this behalf; and

53. A dealer who has been served with a notice under rule 49 may prefer any objection personally, or through an agent, or he may send it in writing.

54. After considering any objection made by the dealer and after considering any evidence produced in support thereof the Assessing-authority shall assess the amount of tax (if any) and penalty (if any) to be paid by the dealer, and shall briefly but clearly record the reasons on which he bases his order.

55. (*1*) If any sum is payable by the dealer under rule 54 the Assessing-authority shall serve a notice in Form VII upon him specifying the date, not less than thirty days after the service of the notice on which payment shall be made, and he shall also fix a date on which the dealer shall produce the receipted challan in proof of such payment.

(*2*) When the challan is produced, the Assessing-authority shall make the necessary entries in the appropriate columns of Register XVII.

56. If on the date fixed under rule 55 the defaulting dealer has not paid the sum assessed or such instalment thereof as may be due, the Assessing-authority shall apply to the Collector of the area in which is located the dealer's office or head office, as the case may be, for recovery of the whole amount of tax and/or penalty remaining unpaid as an arrear of land-revenue.

57. (*1*) After taking the necessary action the Collector shall report to the Assessing-authority what amount, if any, has been recovered and the date on which recovery has been made.

64. If the dealer desires payment by adjustment against any amount subsequently payable by him the Commercial Tax Officer shall issue a Refund Adjustment Order authorising the dealer to deduct the sum to be refunded from the amount payable in respect of the next return-period following the sanctioning of the refund, or from the next instalment payable under sub-rule (*l*) of rule 33.

65. In support of any claim for deduction according to rule 64 the dealer shall attach the refund adjustment order to the next return in Form III to be furnished by him or to the next receipted challan furnished under clause (*a*) of rule 44.

66. After allowing such deduction the Commercial Tax Officer shall cause the Refund Adjustment Order to be cancelled.

4. Such application shall be accompanied by a plan in triplicate drawn to a scale of 8 feet to the inch showing—

In the event of communicating his approval, the District Engineer shall prepare and send to the applicant an estimate of the cost to be incurred for the construction of the approach road or roads and shall require the applicant to deposit the amount mentioned therein in the office of the District Engineer within two weeks from the date of intimation of approval.

6. On the amount of costs being deposited, the District Engineer shall proceed to construct the approach road according to the sanctioned plan. In the event of the owner's failure to deposit the cost or in case he signifies his unwillingness to have the work done, the District Engineer shall have power to demand from him Rs. 2 or any other sum as is, or may be, prescribed by the Corporation for supplying an estimate of the cost to be incurred for the construction of the approach road or roads as mentioned in by-law No. 5 and the owner shall be bound to pay the same.

7. The width of the approach road shall ordinarily be equal to that of the entrance gate or door to which it leads, provided the District Engineer may permit a greater or smaller width according as the nature and condition of the site may require, and provided also that in no case should the width of the approach road exceed 16 feet.

8. The approach road shall have a fall or inclination towards the street depending on the width of the footpath across which it runs, and shall have such gradient as the District Engineer may decide, having regard to the nature and condition of the site.

11. (*a*) If it appears to the District Engineer that the footpath in front of any premises is used or is intended to be used as a road-way for riding or driving an animal or any carriage, cart, motor car or any other vehicle to the said premises and by any such act the kerb and channel stones are being damaged or are likely to be damaged, he may by written notice, require the owner or the occupier of such premises to have an approach road constructed in accordance with these by-laws.

(*b*) Any person who is served with a written notice under clause (*a*) may within seven days of the service of such notice deliver to the District Engineer a written objection setting forth the grounds of objection.

(*c*) Such objection shall be considered by the District Engineer whose decision shall be final.

12. If such notice be not complied with within a week from the service of such notice or disposal of the objection preferred under clause (*b*) of by-law No. 11, the District Engineer may cause such approach road to be constructed as may, in his opinion, be necessary, and the expenses thereof shall be paid by the person or by any of the persons on whom such notice was served. If the footpath or the kerb and channel stones, as the case may be, are already damaged by such act and no new construction be found necessary, the District Engineer shall have power to demand such compensation as may be payable under the rates in force for restoring the footpath or the kerb and channel stones to its or their original condition.

13. The District Engineer may cause such approach road to be constructed whether or not the person who has failed to comply with the notice is liable to punishment or has been prosecuted or sentenced to any punishment for such failure.

14. Any person who commits a breach of by-law Nos. 1, 9, 10 and 11 shall be punishable with fine which may extend to fifty rupees and in the case of a continuing breach, with fine which may extend to ten rupees for every day during which the breach continues after conviction for the first breach.

No. 3259L.A.—16th August 1941.—The following report of the Select Committee on the Bengal Raw Jute Taxation Bill, 1941, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

Report of the Select Committee on the Bengal Raw Jute Taxation Bill, 1941.

We, the members of the Select Committee, to which the Bengal Raw Jute Taxation Bill, 1941, was referred by a motion carried in the Bengal Legislative Assembly on July 30, 1941, have the honour to submit this our report with the Bill embodying amendments recommended by us annexed. Matter recommended by us to be deleted has been printed in italics and enclosed in square brackets and new matter proposed to be inserted has been underlined.

The Committee met for the first time in Calcutta on August 2, 1941, and from time to time thereafter till August 8, 1941, on which date they concluded their deliberations on the Bill. The Bill was published before introduction in the *Calcutta Gazette* on July 10, 1941.

The Bill has not, in our opinion, been so altered by our recommendations as to require republication.

The reasons for the changes recommended by us, excepting those purely of a drafting or consequential nature, are briefly as follows:—

Clause 2.

New sub-clause (2a).—Definition of "maund" has been inserted as we are of opinion that the standard of weight as laid down by the Indian Legislature should be insisted upon in all transactions throughout the province so as to ensure uniformity in the rate of taxation under this Bill.

New sub-clause (6a).—"Raw Jute" has been defined in order to clarify the intention.

Sub-clause (7).—The amendment made in this sub-clause is intended to include exports from Bengal to places in India and thereby to prevent evasion of taxation by means of double bills of lading.

Clause 3.

Sub-clause (1).—The amendment here is consequential on the amendment in clause 2(7) and is intended to include taxation of raw jute despatched outside Bengal by any means of transit.

Sub-clause (2).—The insertion here is primarily intended to exclude transactions between jute mills themselves from taxation.

Clauses 4 and 5.

Clauses 4(1) and 5(1).—Payment of fees for registration or renewal of registration of jute mills and shippers of jute was considered unnecessary and the provisions requiring such payment have been deleted accordingly.

In view of the provision for annual renewal of registration, clause 4(*2*) was considered unnecessary and vexatious and has been deleted.

Cancellation of registration of jute mills might adversely affect the shareholders of the mills and clauses 4(*4*)(*b*) and 5(*3*)(*b*) have been deleted to give protection to such shareholders who should not, in our opinion, be penalised for the offence of a manager or the managing agent.

Clause 6.

The amendments in this clause have been made as we do not consider it necessary that the books of account should be kept at the mill premises.

Clause 7.

The amendments in this clause besides being consequential, are of a drafting nature calculated to make the intention unambiguous.

Clause 9.

Sub-clause (1).—Provision has been made for a penalty in cases of failure to submit returns with a view to providing an additional inducement for submission of proper returns.

The new proviso has been added as, in our opinion, there should be some provision for extension of time for payment of tax or penalty in exceptional cases to avoid undue hardship.

Sub-clause (1a) providing for a penalty for non-payment has been added as we considered that deliberate negligence in making payment of tax or penalty, as the case may be, should be severely dealt with.

Sub-clause (2).—The amendment in this sub-clause besides being consequential, is intended to be in line with the Bengal Finance (Sales Tax) Act, 1941.

Clause 9A.

This new clause is intended to make the assessees to obtain a refund in cases of payments made in excess of the amounts due. This is in line with the Bengal Finance (Sales Tax) Act, 1941.

Clause 10.

The words "or by night" in sub-clause (2) have been omitted as entry into or search of the premises by night might cause unnecessary hardship and annoyance.

New clause 10A.

The provisions of this new clause are intended for the preservation of business secrets.

Clause 11.

Paragraph (d).—The insertion of the words "without sufficient cause" is intended to exempt hard cases from the mischief of the penal clause.

Paragraph (e).—Failure to make timely payment has already been provided for in clause 9. This paragraph has, therefore, been deleted.

New paragraphs (ff) and (fff).—These new paragraphs have been inserted as it has been considered necessasry to provide for a sanction behind the provisions of clauses 10 and 10A so as to ensure better working of the provisions.

Clause 13.

The clause has been considered unnecessary and deleted in order to be in line with the Motor Spirit Sales Taxation Act, 1941.

Clause 15.

The amendment in this clause is to bring it in line with the Bengal Motor Spirit Sales Taxation Act, 1941.

Clause 20.

Sub-clause (1).—The period of limitation for filing an appeal has been extended from "thirty days" to "sixty days" as the original period was, in our opinion, inadequate.

Sub-clause (3).—It was considered more desirable to leave it to the Provincial Government to prescribe the revising authority. We have accordingly amended this clause. Besides specific provision has also been made for a party aggrieved to apply for a revision. This brings the clause into line with the Bengal Motor Spirit Sales Taxation Act, 1941.

Clause 21.

It was considered inexpedient to empower the Provincial Government to allow exemption from taxation which, in our opinion, should be general. This clause has therefore been deleted.

Clause 22.

The amendments in this clause are consequential on those recommended by us in the foregoing provisions of the Bill.

NOTE The signatures of Maulvi Md. Israil, and Mr. Yusuf Mirza, M. L. As., could not be obtained till the time of publication of this report in the Gazette.

Minute of dissent by Mr. Debi Prosad Khaitan, M.L.A.

I reserve the right to move amendments in the Assembly.

Minute of dissent by Mr. Jagat Chandra Mandal, M.L.A.

I sign the report with this suggestion that Provincial Government while making rules under clause 22(*1*), would make such provisions that this tax may not ultimately and indirectly fall upon the shoulders of the poor jute growers, and, as stated in the Statement of Objects and Reasons, Government should take immediate steps for the stabilisation of jute prices and for fixing the minimum price of jute.

Minute of dissent by Mr. Mafizuddin Ahmed, M.L.A.

The object of this Bill, viz., financing the carrying out of measures for the stabilisation of jute prices, the improvement of marketing and generally to further the interests of the jute growers of the province and of the industry as a whole—is undoubtedly laudable. Some such measure was long overdue. In order that jute growers may derive the full benefits of jute, warehouses should be provided throughout the province and holding power of the jute growers should be improved by advancing them money against their jute. Funds required for the Jute Regulation Scheme should be found from the general revenues. The proceeds, that can be expected under this Bill, should be entirely spent for the object stated above.

It has been stated that the incident of this tax will not fall on the cultivators but I remain yet to be convinced that the incident will not filter down to the cultivators ultimately. Experience will, however, lead us to truth. With these observations I sign the report of the Select Committee.

Minute of dissent by Mr. Shahedali, M.L.A.

Myself and my party are against the imposition of any tax upon the consumers as we feel this tax will ultimately pass to the jute growers.

However, I may agree to the proposed tax, if its imposition helps to raise the price of raw jute. That is possible only if the minimum price be fixed and the additional revenue which may be derived from the proposed tax is utilized to finance an organization which may increase the holding power of the jute growers. It is common knowledge that the jute growers are disorganized and poor and consequently their holding power is nil with the majority and very poor with the rest. If their holding power is increased they may dictate the price—and not the mills and the exporters who eventually purchase the jute crop—and who at present control the price policy. It was understood that the major portion of the proposed additional revenue, i.e., about 36 lakhs out of 50 lakhs derived from the tax will be spent over the regulation of production and the residue, if any, will be utilized for erecting warehouses, increasing the holding power of the jute growers—and for other objects mentioned in the Bill. But * * * * * * without making arrangement to increase the holding power of the jute growers mere regulation of jute production will not increase the price of jute. Solution of question of supply and demand may be a factor towards that direction. So I am of opinion that the proposed tax if imposed must be earmarked for financing an organization to increase the holding power of the jute growers and by no means this amount should be utilized for jute restriction or jute regulation scheme. This expenditure may be met from General Revenue as before. If the majority of the members * * * * * * sincerely believe the proposed tax will not pass ultimately to the jute growers, they may increase the tax from two annas per maund to eight annas per maund. This will help the Government to tackle the jute problem to a great extent.

I reserve the right of submitting amendments to the Bill at the time of consideration.

(g) the authority to which an appeal shall lie under clause (a) of sub-section (1) of section 20 and the authority which may exercise powers under sub-section (3) of that section [; *and*].

[(h) *the exemption from the whole, or any of the provisions, of this Act.*]

(3) In making any rule under sub-section (1) or sub-section (2), the Provincial Government may provide that any person committing a breach thereof shall, on conviction, be punishable with fine which may extend to one hundred rupees.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 9th August 1941.

First Forecast of the Sugarcane Crop of Bengal, 1941-42.

(*Note.*—On an average of the five years ending 1939-40, the area under sugarcane in Bengal has represented some 7·9 per cent. of the total area under sugarcane in India.)

Character of the season.—Drought prevailed at the planting time. Conditions soon changed and the subsequent effects of weather have been helpful to the growth of the crop. The present condition of the crop is reported to be fairly favourable.

Area planted.—The total area planted with sugarcane for the province is estimated at 316,500 acres this year as against 331,100 acres in the final forecast last year. The decrease as compared with the last year is mainly attributed to unfavourable weather conditions at the planting time as also to the low price of gur and cane.

CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD,

St. James's Palace, S. W. 1,

22nd April, 1941.

ADDITIONAL STATUTE OF THE MOST EXCELLENT ORDER OF THE BRITISH EMPIRE.

GEORGE R.I.

GEORGE THE SIXTH, by the Grace of God, of Great Britain, Ireland, and the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India and Sovereign of the Most Excellent Order of the British Empire, to all to whom these Presents shall come.

Greeting!

Whereas by the Fifty-second Clause of the Statutes of the MOST EXCELLENT ORDER OF THE BRITISH EMPIRE bearing date the Thirtieth day of July, one thousand nine hundred and thirty-seven, power was reserved to the Sovereign of annulling, altering, abrogating, augmenting, interpreting or dispensing with the same or any part thereof by a notification under the Royal Sign Manual.

And whereas We have ordained in Our Warrant instituting the George Cross that as from the institution of the said Cross the grant of the Medal of the Order of the British Empire, for Gallantry, shall cease, and a recipient of that Medal living on the Twenty-fourth day of September, one thousand nine hundred and forty, shall return it to the Central Chancery of Our Orders of Knighthood and become instead a holder of the George Cross: provided that there shall be a similar change in relation to any posthumous grant of the Medal of the Order of the British Empire, for Gallantry, made since the commencement of the present war.

We now, in pursuance and in exercise of the power thus vested in Us, do annul the Thirty-seventh, Thirty-eighth and Thirty-ninth of the aforesaid Statutes of this Order, and the same are hereby annulled accordingly, and in lieu of the Thirty-seventh, Thirty-eighth and Thirty-ninth of the said Statutes, We do make, ordain and establish, by these Presents sealed with the Seal of the Order, the following Statutes and Ordinances, namely:—

XXXVII. It is Ordained that a Military and Civil Medal of this Order shall be awarded to persons who render meritorious service warranting such mark of Our Royal appreciation. Such Civil Medal shall not be awarded to Members of any of the five Classes of the Order or to persons eligible for appointment thereto, and such Military Medal shall only be awarded to persons subordinate to those who are eligible for the Military Division of the various Classes of the Order, but a recipient of the Medal, whether Military, or Civil, who may subsequently be appointed a Member of one of the five Classes of the Order, may continue to wear the Medal in addition to the Insignia of the Order. It is further Ordained that the said Medal, including the Medal awarded prior to 29th December, 1922, shall be known as "THE BRITISH EMPIRE MEDAL."

XXXVIII. It is Ordained that the said Medal for men and for women shall consist of a circular medal in silver, having on the obverse a representation of Britannia with the motto of the Order, and, upon the exergue, the words "FOR MERITORIOUS SERVICE," and on the reverse the Royal and Imperial Cypher of the Sovereign, and the words "INSTITUTED BY KING GEORGE V," and shall be worn on the left side, immediately after the Burma Gallantry Medal, suspended from a clasp ornamented with oak leaves, attached to a rose pink riband edged with pearl grey of one inch and one-quarter in width, with the addition, in the case of recipients of the Military Medal of the Order, of a vertical pearl grey stripe in the centre of the riband of about one-sixteenth of an inch: provided that when the Medal is worn by a woman, it may be worn on the left shoulder, suspended from a riband of the same width and colour, fashioned into a bow. It is further Ordained that on occasions when miniature decorations are worn, reproductions of the Medal in miniature may be worn by those to whom the Medal is awarded.

XXXIX. It is Ordained that services or acts deemed worthy of recognition by the award of the Medal, but rendered by a person upon whom the Medal has already been conferred, may be recorded by a Bar or Bars attached, for men, to the riband, and for women, to the centre of the bow, from which the Medal is suspended. It is further Ordained that when the riband is worn alone, the award of a Bar is to be indicated by the placing of a small silver rosette on the riband, a further rosette being added for each Bar.

And it is Our Will and Pleasure that these Statutes, sealed with the Seal of the said Order, shall be taken and received as part and parcel of the Statutes thereof.

Given at Our Court at Saint James's under the Seal of the said Order, this fourteenth day of March, One Thousand Nine hundred and Forty-one, in the Fifth year of Our Reign.

By His Majesty's Command.

Herbert Morrison.

THE BENGAL HINDU WOMEN'S RIGHTS TO AGRICULTURAL LAND BILL, 1941.

A

BILL

to amend the Hindu Law governing Hindu Women's Rights to Agricultural Land.

WHEREAS it is expedient to amend the Hindu Law to give better rights to women in respect of agricultural land in Bengal ; it is hereby enacted as follows :—

Short title, extent and effect.

1. (*1*) This Act may be called the Bengal Hindu Women's Rights to Agricultural Land Act, 1941.

(*2*) It extends to the whole of Bengal.

(*3*) It shall have retrospective effect as if it had come into force on the 14th day of April, 1937.

Application.

2. Notwithstanding any rule of Hindu Law or custom to the contrary, the provisions of section 3 shall apply where a Hindu dies intestate.

3. (*1*) When a Hindu governed by the *Dayabhag* School of Hindu Law dies intestate leaving any agricultural land in Bengal, and when a Hindu governed by any other school of Hindu Law or by customary law dies intestate leaving such land in Bengal, his widow, or if there is more than one widow all his widows together, shall, subject to the provisions of sub-section (*3*), be entitled in respect of such agricultural land in respect of which he dies intestate to the same share as a son :

Provided the widow of a predeceased son shall inherit in like manner as a son if there is no surviving of such predeceased son and shall inherit in like manner as a son's son if there is surviving a son or son's son of such predeceased son :

Provided further that the same provision shall apply *mutatis mutandis* to the widow of a predeceased son of a predeceased son.

(*2*) When a Hindu governed by any school of Hindu Law other than the *Dayabhag* School or by customary law dies having at the time of his death an interest in a Hindu joint family property consisting of agricultural land in Bengal, his widow shall, subject to the provisions of sub-section (*3*), have in such property the same interest as he himself had.

(*3*) Any interest devolving on a Hindu widow under the provisions of this section shall be the limited interest known as a Hindu women's estate, provided however that she shall have the same right of claiming partition as a male owner.

(*4*) The provisions of this section shall not apply to an estate which by a customary or other rule of succession or by the terms of the grant applicable thereto descends to a single heir to any property to which the Indian Succession Act, 1925, applies. XXXIX of 1925.

Savings.

4. Nothing in this Act shall apply to the property of any Hindu dying intestate before the fourteenth day of April, 1937.

Meaning of expression "die intestate."

5. For the purposes of this Act, a person shall be deemed to die intestate in respect of all property of which he has not made a testamentary disposition which is capable of taking effect.

STATEMENT OF OBJECTS AND REASONS.

Hindu widows were entitled, in certain contingencies, to get maintenance from the estate of a deceased relation. This was a precarious right and was considered by a large section of advanced Hindus to be incompatible with modern condition.

An agitation was set up for legislation to confer better rights on these widows. The Central Legislature yielded to the pressure and passed the Hindu Women's Rights to Property Act (XVIII of 1937) which was amended by Act XI of 1938.

Broadly speaking, the amended Act purported to give these widows specific shares of the properties in lieu of the right of maintenance out of the same.

But the Act was *ultra vires* of the Central Legislature in a very material respect. The Bill, which became Act XVIII of 1937, was passed by the Central Assembly on the 4th February, 1937, and by the Council of State on the 6th April, 1937, and it received the Governor-General's assent on the 14th April, 1937.

On April 1, 1937, *after* the Bill was passed by the Central Assembly but *before* it was passed by the Council of State, the Government of India Act, 1935, conventionally described as the Constitution Act, came into force. By virtue of this Act, legislation relating to "devolution of agricultural land" became an exclusively provincial subject. See Item No. 21, List II of Schedule VII of the Constitution Act. Under section 100(3) of the Constitution Act the Federal Legislature—which is now representated by the Central Legislature—has no power to make laws with respect to any of the subjects mentioned in List II. On and from April 1, 1937, the Provincial Legislatures alone were competent to make laws relating to devolution of agricultural land in the Governors' Provinces.

It would therefore follow that though the appropriate Bill was legally passed by the Central Assembly, the Council of State had, on 6th April, 1937, the date on which it passed the Bill, no jurisdiction to pass the same so far as it related to agricultural land in the Governors' Provinces. The amending Act of 1938 was passed by the Central Legislature when neither the Central Assembly nor the Council of State had any jurisdiction to pass the same. The amended Act was therefore *ultra vires* to that extent.

Serious doubts were raised as to the validity of the Act and the Governor-General referred the question, under section 213 of the Constitution Act, to the Federal Court for an authoritative exposition. The Federal Court has held that the impunged Act was *ultra vires* in so far as it related to agricultural land in the Governors' Provinces. See In Re: Hindu Women's Rights to Property Act, 1941 F.R. (45 C.W.N.) at pages 81 to 89.

In the Governors' Provinces, the Act is valid only in so far as it related to non-agricultural lands. Most of the lands in the villages which are not used for actual cultivation—*viz.*, the homestead lands of agriculturists, outhouses, cowsheds, places for storing agricultural produce, manure pits, irrigation tanks and similar other properties required for the use of the agriculturists as such—will still be agricultural lands. Some properties in towns only will be regarded as non-agricultural lands. Shorn of its jurisdiction over agricultural lands, the Act will operate only on an insignificant fraction of properties in the Governors' Provinces.

This is not all. Serious doubts may be raised as to whether, the Act having failed in a material respect the widows concerned can fall back upon their earlier rights to get maintenance from agricultural lands in the Governors' Provinces and it is not easy to say where they would stand in this respect.

The Federal Court has disclosed a very serious gap in the impunged Act and the same is now practically inoperative or perhaps mischievous in its consequences. This result, however logical and inevitable, has caused considerable disappointment and dissatisfaction and even resentment among numerous influential Hindus. The Standing Committee of the All-India Women's Conference has already moved in the matter.

Numerous transactions, it is feared, have already taken place regarding agricultural land in the Governors' Provinces on the basis of the validity of the impunged Act. And the gap disclosed will cause widespread dislocation in such cases. It is therefore highly expedient, as a matter of public policy, that the gap should be filled up by appropriate legislation in the Provinces.

The present Bill fills up the gap and, if passed into law, will restore the law to its original purpose. This Bill and what remains of the Act in question, after the amputation by the Federal Court, will constitute a complete code on the subject in the Province of Bengal.

The Bill attempts merely to restore the *status quo* and reproduces the provisions of the Hindu Women's Rights to Property Act, 1937, as amended by the Act of 1938, without any change whatever except that required strictly for the purpose of adaptation to agricultural land in the Province.

The Bill is purely consequential in its purpose and effect and should be passed without any delay. It is hoped that other Provinces will follow suit.

NAZIRUDDIN AHMAD,

Member-in-charge.

NOTIFICATION.

No. 1399L.C.—26th August, 1941.—In pursuance of the provisions of rule 51 of the Bengal Legislative Council Procedure Rules, the following Bill which was introduced in the Bengal Legislative Council on the 22nd August, 1941, is hereby published for general information together with the Statement of Objects and Reasons annexed thereto.

S. K. D. GUPTA,
Secy. to the Bengal Legis. Council.

THE BENGAL EMERGENCY RENT REMISSION BILL, 1941.

WHEREAS it is expedient to provide for remission of rent on account of failure of crops and continued low prices of staple food crops for enabling the agriculturists to tide over financial crisis due to such causes, it is enacted as follows :—

1. This Act shall be called the Bengal Emergency Rent Remission Act, 1941.

2. It shall extend to the whole of Bengal and shall apply to only occupancy and non-occupancy raiyats and under-raiyats as defined in the Bengal Tenancy Act of 1885.

3. It shall come into force from the date of assent of His Excellency the Governor of Bengal.

4. Whenever any general failure of principal crops occurs in any village to the extent of not less than 50 per cent. of normal yield, for reasons not within the control of the cultivators, the cultivating raiyats, whether they are occupancy or non-occupancy raiyats or under-raiyats (but not being a mukarari raiyat or under-raiyat) shall be entitled to get remission of rent in proportion to the ratio of failure of yield and the Collector of the district at his own initiative may and on the application of the tenants or their representatives in the legislature shall allow such remission by publishing a notification in the Official Gazette showing the percentage of and the period for which remission is allowed in any specified area :

Provided that no application for such remission shall be entertained unless made within six months of the ordinary time of reaping of the crops which have failed :

Provided further that the remission allowed shall have retrospective effect in respect of tenancies of which rents have already been paid and the landlord shall be bound to effect necessary adjustment when rent is next paid for such tenancies.

5. Whenever any sudden abnormal fall in the prices of staple food crops occurs—the prices falling below the last twelve years average by more than 33 per cent.—and such low prices continue for more than two years, the raiyats and under-raiyats in spite of anything in section 38 of the Bengal Tenancy Act shall be entitled to get remission of rent proportionately to the fall for the period during which such low prices continue and the Collector of the district at his own initiation may and on the application of the raiyats and under-raiyats or their representatives in the legislature shall allow such remission by publishing a notification in the Official Gazette showing the percentage of and the period for which, the remission is allowed in each specific area, provided that ordinarily no application for such remission shall be entertained unless made within two years of the period for which remission is claimed, but this proviso shall not affect the claim to remission for the period 1930 to 1938, which shall be entertained if made within a year of this Act coming into force :

Provided further that the remission allowed shall have retrospective effect in respect of tenancies of which rents have already been paid and the landlord shall be bound to effect necessary adjustment when rent is next paid in respect of such tenancies.

6. Decrees of Civil Courts and awards of Agricultural Debt Settlement Boards for arrears of rent obtained before or after the passing of this Act of which execution proceedings are or are not pending or of which no sale has been made or confirmed shall be executed after deducting the amount to

The Bengal Emergency Rent Remission Bill, 1941.

(*Clause 7.*)

which the judgement-debtor may be entitled, as remission according to the provisions of this Act, from the decretal amount, and no damage shall be allowed under section 68 of the Bengal Tenancy Act in such cases, but only interest at 3 per cent. and all such decrees and awards shall be revised according to the provisions of this section :

Provided that the provision of this Act shall not apply to road cess demand which shall remain unaltered till next revaluation.

7. Sales of immovable properties in execution of any decree (whether Civil Court or Certificate Officer) in which the decree-holder landlord is the sole purchaser and the purchased land has not been already transferred to a third person whether absolutely or partially before August, 1938, shall be set aside if within six months from the passing of this Act the tenant judgement-debtor deposits in Court towards satisfaction of the decree, an amount calculated after deducting from the decretal amount the amount of remission to which the tenant is entitled according to provision of this Act, the amount received from the tenant by the decree-holder in cash and the value of the usufruct enjoyed from the land by the decree-holder.

STATEMENT OF OBJECTS AND REASONS.

Unfortunately for the agriculturists of Bengal the Bengal Tenancy Act does not contain any provision for remission of rent for failure of crops, though Tauzi Manual permits such remission in khas mahal areas. There is no reason why the ordinary occupancy and non-occupancy raiyats and under-raiyats in permanently-settled estate should not get any consideration for failure of crops. If their rents were fixed in perpetuity like that of the proprietors, the latter could reasonably resist any attempt at this ordinary concession to cultivating raiyats of khas mahal areas being extended to permanently-settled area. But why should there be any difference between ordinary raiyats in khas mahal and ordinary raiyats in permanently-settled area? Some provision for remission of rent for failure of crops in permanently-settled area is thus overdue and this Act merely tries to remove the defect which has been operating most harshly against the agriculturists of permanently-settled area.

The provision of Bengal Tenancy Act regarding reduction of rent as embodied in section 38 of the Act is not at all satisfactory. It has not made any provision for reducing rent which may be abnormally high as compared with the yield of the land nor has it made any provision for temporary reduction or remission of rent for sudden fall in prices owing to temporary causes. It will be the duty of the Revenue Commission to go into the matters in details, but owing to the abnormal low prices of 1930 to 1936 it has become absolutely necessary to allow the raiyats some relief immediately as also to make some provision in the law for such relief in future on account of sudden abnormal fall in prices owing to temporary causes. Provision has therefore been made in this Bill for proportionate remission of rent if the prices fall more than 33 per cent. and the low prices continue for more than two years. Retrospective effect has been sought to be given by readjustment not only of rent dues but also of decretal amounts in all pending decrees. Provision has also been made for retransfer from auction purchasers to the tenant in cases where such transfer is easily possible.

The Bill, if passed into law, will go to a great extent to relieve the raiyats who have been hard hit by the depression. If the money-lender can be prevailed upon to be content with his dues reduced (even below the principal amount in many cases), why should not the landlords who have increased their income by 4,000 per cent. since the permanent settlement (of which 3,000 per cent. was certainly due to unjust enhancement of rates and rents) should not be satisfied with the rents of ordinary raiyats (not mukarari raiyats) reduced even temporarily for sudden and abnormal fall in prices of which the effect the agriculturists can ill-afford to bear ? The Bill rather errs on the side of moderation and it deserves to be passed unopposed.

THE BENGAL JUTE REGULATION (AMENDMENT) BILL, 1941.

A

BILL

to amend the Bengal Jute Regulation Act, 1940.

WHEREAS it is necessary to amend the Bengal Jute Regulation Act, 1940, in the manner hereinafter appearing;

It is hereby enacted as follows:—

1. (*1*) This Act may be called the Bengal Jute Regulation (Amendment) Act, 1941.

(*2*) It extends to the whole of Bengal and shall come into operation as soon as it receives the Governor's assent.

2. In section 2, sub-section (*6*) of the Bengal Jute Regulation Act, 1940, the following words, *viz.*, "and also means the plant known botanically as *hibiscus cannabinus* and commonly as *mesta*" shall be deleted.

STATEMENT OF OBJECTS AND REASONS.

Mesta or *hibiscus cannabinus* is quite distinct from jute and does not have to pay the jute export duty levied by the Government of India. Besides, its cultivation is restricted almost entirely to one district, *viz.*, Faridpur and hence its exemption from restriction will not materially affect the Government scheme for regulation of jute cultivation. The application of the regulation scheme to *mesta* will have the effect of discriminatory legislation against one particular district, and can therefore be justified neither on grounds of expediency nor of principle.

THE BENGAL SMOKE NUISANCE (AMENDMENT) BILL, 1941.

A

BILL

further to amend the Bengal Smoke Nuisance Act, 1905.

WHEREAS it is expedient further to amend the Bengal Smoke Nuisance Act, 1905, in the manner appearing hereinafter;

It is hereby enacted as follows :—

1. This Act may be called the Bengal Smoke Nuisance (Amendment) Act, 1941.

2. For the words "from the smoke of furnaces or fire places" up to "other areas in Bengal" occurring in the Title and Preamble of the Bengal Smoke Nuisance Act, 1905, hereafter to be called the said Act, the words "from the smoke of furnaces, flues, chimneys or fire places in the city of Calcutta, and all municipal areas in Bengal and to provide for the extension thereof to other specified areas in Bengal" shall be substituted.

3. For sub-section (2) of section 1 of the said Act, the following shall be substituted as sub-section (2) :—

"(2) It extends in the first instance to the city of Calcutta as defined in the Calcutta Municipal Act of 1923 and to all Municipalities as constituted under the Bengal Municipal Act of 1932."

4. (1) In section 3 of the said Act, after sub-section (1), the following shall be inserted :—

"(1A) 'Flue or chimney' means any flue or chimney joined to or connected with or forming part of a furnace."

(2) In sub-section (4) of section 3 of the said Act, in sections 6, 7, 8, 8A, 9 and in all other sections of the said Act, the words "flue or chimney" shall be inserted after the word "furnace" wherever it occurs.

5. After sub-section (2) of section 8A of the said Act, the following shall be added :—

"(3) A Magistrate imposing a fine under sub-section (2) of section 8A may, by order, direct such person to demolish the furnace, flue or chimney within a period to be specified in the order.

(4) Any such person failing to demolish within the period specified in the order or within such longer period, as the Magistrate may, for reasons to be stated allow, shall be liable to fine which may extend to twenty rupees for every day thereafter during which such failure continues."

STATEMENT OF OBJECTS AND REASONS.

Though the Bengal Nuisance Act was passed in 1905, its scope has only been extended to Calcutta, Howrah and some three Municipalities of Bengal. Its jurisdiction and area of operation is hopelessly limited, especially at a time when places which were once obscure and unimportant have developed into important industrial towns. It is desirable that the scope of the Smoke Nuisance Commission should be extended by the amendment of the Act. It appears from the latest report of the Smoke Nuisance Commission published in 1940 that in 1940 it had to deal with 3,372 cases of smoke nuisance. The main purpose of this amending Bill is to extend the Act to all municipal areas for the good of public health and sanitation.

THE BENGAL JUTE REGULATION (AMENDMENT) BILL, 1941.

A

BILL

further to amend the Bengal Jute Regulation Act, 1940.

WHEREAS it is expedient further to amend the Bengal Jute Regulation Act, 1940, in the manner appearing hereinafter;

It is enacted as follows :—

1. It may be called the Bengal Jute Regulation (Amendment) Act, 1941.

2. The words "either for his own consumption or" occurring in the first and second lines of sub-section (5) of section 2 of the Bengal Jute Regulation Act, 1940, shall be omitted and at the end of the said sub-section (5) the words "but it shall not include any person who grows jute exclusively for his own domestic use or consumption on any land in his possession" shall be added.

STATEMENT OF OBJECTS AND REASONS.

The apparent purpose of the Bengal Jute Regulation Act, 1940, was to secure reasonable and profitable price of jute to the growers of jute by regulating the cultivation thereof. It was not the intention of the legislation to control the cultivation of jute crop produced solely for domestic use and consumption on the part of the grower. In some district such as in Chittagong, jute is grown on small tract of land for domestic use and consumption as vegetables. As the production of jute especially for domestic use and consumption has been included within the purview of the Act, it has been causing great hardships to poor cultivators who grow jute for domestic use only. It is desirable that cultivation of jute for domestic use and consumption should be excluded from the scope of the Act. Hence this amending Bill is necessary.

(*2*) Notwithstanding anything contained in the Code of Criminal Procedure, 1898, an offence punishable under this section shall be cognizable and bailable, and notwithstanding anything contained in the Act a court may take cognizance of such an offence in the manner provided by section 190 of the Code of Criminal Procedure, 1898.

455B. (*1*) The Municipal Commissioners of a Municipality may, by public notice, prohibit in any specified part of the Municipality—

(*a*) the keeping of a brothel ;

(*b*) the residence of any person who practises prostitution.

(*2*) Whoever after the date specified in the public notice promulgated under sub-section (*1*)—

(*a*) keeps or manages or acts or assists in the management of a brothel within the prohibited area, or

455C. On the complaint of the Chairman of the Municipal Commissioners of a Municipality or on the complaints of any Municipal Officer authorised for the purpose by the Chairman or of three or more inhabitants of a Municipality that a house within the limits of the Municipality is used as a brothel, or by disorderly persons of any description to the annoyance of the respectable inhabitants of the vicinity or that any such house is used as a brothel in the neighbourhood of an educational institution, or boarding house or hostel, or of any place of worship, any Magistrate of the first class having as such jurisdiction in the place where the house is situated, may summon the owner or tenant of the house, and on being satisfied that the house is so used and that it is a source of annoyance or offence to the neighbours, or that it is in the neighbourhood of an educational institution or boarding house or hostel or any place of worship may order the owner or tenant to discontinue such use of it and if he shall fail to comply with such order within seven days may impose upon him a fine not exceeding fifty rupees for every day thereafter that the house shall be so used."

STATEMENT OF OBJECTS AND REASONS.

The sole and main aim of this amending piece of legislation is to make some necessary provisions in the Bengal Municipal Act, 1932. These proposed provisions fall under two heads, *viz.*, (1) provision for election of more than one Vice-Chairman. With the growth of multifarious municipal duties and activities this would be necessary in case of big municipal bodies, and secondly, the powers are proposed to be given to regulate importunate begging in public streets and public places by showing infirmity, dangerous disease or sore or wound to excite the feeling of charity, and to regulate brothel and prostitution within their municipal areas. These powers have already been given to the Municipalities of the Punjab, Bombay and of other provinces. These are very necessary provisions which ought to be added to the Bengal Municipal Act, 1932, for the purpose of conferment of greater good and comforts to the rate-payers of every Municipality in Bengal.

THE BENGAL FISHERIES BILL, 1941.

WHEREAS it is expedient to extend the law relating to Fisheries in Bengal, it is enacted as follows :—

1. (*1*) This Act may be called the Bengal Fisheries Act, 1941.

(*2*) It will extend to the whole of the Bengal Presidency.

2. In this Act and the rules made thereunder unless there is something repugnant in the subject or content, the words "fish" and "private water" shall bear the same meanings as assigned to them in section 3 of the Indian Fisheries Act, 1897.

3. In this Act unless there is anything repugnant in the subject or content—

(*1*) "Fishery officer" includes any person whom the Provincial Government or any officer empowered by the Provincial Government in this behalf may from time to time appoint by name or as holding office to carry out the purposes of this Act and the rules made thereunder.

(*2*) "Fishing offence" means any offence punishable under this Act and the rules made thereunder.

4. (*1*) The Provincial Government may make rules for the purposes mentioned in this section and may by such rules declare the water (not being private water) to which any of such rules shall apply.

(*2*) The Provincial Government may by a notification published in the *Official Gazette* apply such rules to any private water with the consent in writing of the owner thereof and of all persons having exclusive right of fishery therein.

(*3*) Such rules—

(*a*) may prohibit fishing without licence and prescribe conditions for such licence ;

(*b*) may prohibit killing any fish of any prescribed species or of any prescribed size or weight ;

(*c*) may provide for—

(*i*) the seizure, forfeiture and removal of any apparatus erected, used or employed for fishing in contravention of the rules ; and

6. Whoever shall break any rules made under section 4 or any prohibition notified under section 5 shall be punished on conviction to fine which may extend to one hundred rupees, and when the breach is a continuing breach, with a fine which may extend to ten rupees for every day after the date of the first conviction during which the breach is proved to have been continued.

7. All offences punishable under this Act and the rules made thereunder shall be cognisable, bailable and compoundable.

8. The procedure provided in the Code of Criminal Procedure, 1898, shall be applicable to the trials of offences punishable under this Act.

The Bengal Fisheries Bill, 1941.

(Sections 9, 10.)

9. Nothing in this Act shall be deemed to limit the power of the Provincial Government to make rules under section 6 of the Indian Fisheries Act, 1897.

10. The Provincial Government may by a notification empower any fishery officer to compound any offence punishable under this Act and the rule made thereunder on such terms and conditions and on payment of such compensation as prescribed by the rules by the Provincial Government for these purposes.

STATEMENT OF OBJECTS AND REASONS.

The Government of Bengal has already decided to restart the Fishery Department in Bengal with a view to bring about a healthy development in the fishing industry of the province and a sum of Rs. 82 thousand has been provided in the current year's budget estimates. It is desirable that necessary powers should be given to the Provincial Government to improve the industries in all possible ways. Hence there is a necessity of a legislation as suggested in this Bill.

THE BENGAL HINDU WOMEN'S RIGHT TO PROPERTY BILL, 1941.

WHEREAS it is expedient to provide for the Hindu women's right to property in respect of the devolution of agricultural land ; it is hereby enacted as follows :—

1. *(i)* This Act may be called the Bengal Hindu Women's Right to Property Act, 1941.

(ii) It extends to the Province of Bengal only.

2. "Dies intestate" in this Act means "dies without making any testamentary disposition which is capable of taking effect".

3. *(i)* Where a Hindu governed by the *Daybhag* School of Hindu Law dies intestate his agricultural lands and when a Hindu governed by any other school of Hindu Law or by customary law dies intestate leaving agricultural lands which are his separate property, his widow or if there is more than one widow all his widows together, shall subject to the provisions of sub-section *(3)*, be entitled in respect of property regarding which he dies intestate to the same share, as a son :

Provided that the widow of a predeceased son shall inherit in like manner as a son if there is no son surviving of such predeceased son and shall inherit in like manner as a son's son if there is surviving a son or son's son of such predeceased son :

Provided further that the same provisions shall apply *mutatis mutandis* to the widow of a predeceased son of a predeceased son.

(ii) When a Hindu governed by any school of Hindu Law other than the *Daybhag* School or by customary law dies, having at the time of his death, an interest in Hindu joint family property, his widow shall, subject to the provisions of sub-section *(3)* have in the property the same interest as he himself had.

(iii) Any interest devolving on a Hindu widow under the provisions of this section shall be the limited interest known as a Hindu women's estate, provided however that she shall have the same right of claiming partition as a male owner.

(iv) The provisions of this section shall not apply to an estate which by a customary or other rule of succession or by the terms of the grant applicable thereto descends to a single heir or to any property to which the Indian Succession Act, 1925, applies.

4. Nothing in this Act shall apply to the property of any Hindu dying before the 14th April, 1937.

5. The Act shall have retrospective effect as if it had come into force on the 14th day of April, 1937.

STATEMENT OF OBJECTS AND REASONS.

The Federal Court is of opinion (1941 C. W. N. 81 F. R.) that the Hindu Women's Rights to Property Act, 1937, and the Hindu Women's Rights to Property (Amendment) Act, 1938--

(a) do not operate to regulate succession to agricultural land in the Governor's Provinces, and

(b) do operate to regulate devolution by survivorship of property other than agricultural land. This opinion has created considerable difficulties. There were devolutions after April, 1937, and transfers have been made thereafter creating interest in third parties. To meet the situation it is desirable that there should be legislation in Bengal to provide for the Hindu women's right to property in respect of the devolution of agricultural land. The Bill has been drafted on the lines of the Hindu Women's Rights to Property Act and is intended to remove the difficulties pointed out by the Federal Court.

5. (1) Where it is necessary in order to determine the amount of any payment to be awarded under a scheme in respect of any injury, to ascertain the earnings of the person injured in respect of any period before he sustained the injury, the Central Government or other authority authorised to make payments under the scheme may by notice in writing require—

J. K. SARKAR, *Executive Engineer,*
Mymensingh Division.

Mymensingh, the 19th August 1941.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 2nd August 1941.

First Forecast of the Cotton Crops of Bengal, 1941-42.

(*Note.*—On an average of the five years ending 1939-40, the area under cotton in the territories in Bengal to which this forecast relates has represented some 0·2 per cent. and that in the Bengal states some 0·1 per cent. of the total area under cotton in India.)

There are two crops—early and late. The early crop is chiefly grown in the Chittagong Hill Tracts and in the Tripura State and to a small extent in other districts. The late crop is grown in Bankura and Midnapore.

Character of the season.—The weather was generally favourable for the crop except in Mymensingh where excessive rain in the first fortnight of May somewhat affected the growth of the crop.

Area sown.—The area sown is reported to be 106,188 acres this year as against 107,078 acres in the corresponding forecast of last year. The decrease in area is due to reservation of some forest area in the interior of the Tripura State.

M. CARBERY,

Director of Agriculture, Bengal.

An allowance for loss of motor spirit by evaporation from the stocks of a retail dealer who is not also a wholesale dealer may be made up to a limit of 1 per cent. of the total amount of spirit received in any month if the supply has been made from a tank-cart or lorry, and up to a limit of 2 per cent. of the amount received if the supply has been made from casks or cans.

21. If the Commercial Tax Officer is satisfied that the leakage or loss from other cause has actually exceeded the limits prescribed in rule 20 he may for reasons to be recorded in writing make a larger allowance equal to the actual amount of the leakage or loss; but he shall not make such larger allowance for more than three months in any year without the sanction of the Assistant Commissioner.

24. A dealer who has been served with a notice under rule 23 may prefer any objection personally or through a duly authorised agent or he may send it in writing.

25. After considering any objection which may be made by the dealer, or after the expiry of the date fixed under rule 23, the Commercial Tax Officer shall determine what amount of tax is payable by the dealer.

26. If the Commercial Tax Officer determines that any tax is payable he shall serve a notice of demand in Form G upon the dealer requiring him to pay into the appropriate Government Treasury by the date specified in the notice the amount determined to be payable, and warning him that if the amount is not paid he shall be liable to pay in addition an equal amount by way of penalty.

27. (*1*) If the dealer does not pay by the date specified the amount determined under rule 26 together with the amount of penalty imposed, if any, the Commercial Tax Officer shall apply to the Collector of the area in which is located the dealer's place of business or chief place of business, as the case may be, for recovery of the whole amount of tax and penalty, if any, remaining unpaid as an arrear of land-revenue.
